Dear Mr. Madden:

On April 28, 2015, representatives of the U.S. Environmental Protection Agency and Anoka County, Minnesota, inspected the Eco Finishing Company facility located in Fridley, Minnesota (EFC). In response to violations of the Resource Conservation and Recovery Act, 42 U.S.C. § 6901 et seq. (RCRA) identified during the inspection, we issued a Notice of Violation to you on March 8, 2016. Subsequent to our Notice of Violation you submitted additional information regarding the identified violations in correspondence dated March 28, 2016.

This letter is to inform you that EPA has reviewed the referenced responses, and does not plan additional enforcement action at this time. This letter does not limit the applicability of the requirements evaluated, or of other federal or state statutes or regulations. EPA appreciates your cooperation.
